CERTIFICATE OF SUSTAINABILITY

Hereby certifies that

Grainmore, UAB

is a solar prosumer and uses locally produced green energy
for its operations since 2022.

The 250 kW PV system contributes
to a significant reduction in CO2 emissions and helps
build a more sustainable future.

„Eternia Solar LT“, UAB CEO
Aidas Ignatavičius

A handwritten signature in blue ink, appearing to read "Aidas Ignatavičius", written over a light blue oval background.
